

PRODUCTS EXHIBITED

PREPRESS & DESIGN

Calibrated monitors
Color electronic prepress systems
& workstations
Color management software
Color profiling software & measurement tools
CTP & plate bending/punching
Drawing & page composition software
Digital scanning back cameras
Imagesetters
Proofing systems hard & soft
RIPs - Raster image processors
Scanners
Stock images

CONSUMABLES, SUBSTRATES & SUPPLIES

Coatings
Inks
Paper & other substrates
Plates
Toner

COMPUTER PUBLISHING

Computer hardware & software
Digital copiers
Interfaces to electronic prepress systems
Plain paper output devices
PostScript translation systems
Text & Graphics editing systems

PRINT OUTPUT EQUIPMENT

Business forms presses
Digital color printers
Digital presses
Duplicators & small presses
Electrostatic copiers/toners
Flexographic presses
Offset sheetfed presses all sizes & color
configurations
Pad printers
Web presses heatset & non-heatset

PACKAGE PRINTING/ CONVERTING EQUIPMENT & SUPPLIES

Coating machines
Control systems, creasers
Corrugators
Die cutting equipment
Envelope machinery
Flexible packaging
Folders
Gluing & laminating equipment
RFID tags
RTLS - Real Time Location Systems
Smart labels
Slitters/rewinders
Tag & label printing equipment

EMERGING TECHNOLOGIES & NEW MARKETS

Middleware & systems integration
Polymer inks
Printed electronics
Promotional products/advertising specialties
RFID tags active/passive
RTLS - Real Time Location Systems
Smart labels
Tag readers

WIDE FORMAT EQUIPMENT & SUPPLIES

Aqueous inkjet printers & inks
Eco - solvent inkjet printers & inks
Flat bed & roll-to-roll wide/grand
format printers
Inkjet heads
Sign/banner substrates
Solvent inkjet printers & inks
UV curable printers & inks
Wide format laminators & finishing equipment
Wide format scanners

PRESS ACCESSORIES AND PRESSROOM EQUIPMENT

Anti-static & anti-marking systems
Cleaning systems
Chillers
Inline coating units
Inline finishing equipment
On-press densitometry - infrared, thermoair
& ultraviolet
Pumps
Web press break detectors, splicers, scanners,
register controls & cleaners

MAILING/FINISHING EQUIPMENT & SYSTEMS

Addressing & mailing systems
Banding, shrink wrapping & packaging systems
Binding equipment
Collating machines
Conveying & material handling equipment
Cutters & trimmers
Die cutters & foil stampers
Embossing equipment
Folders/gluers
Fulfillment services
Gathering & folding machines
Inserters
Jogging machines
Laminating equipment
Postal processing
Tabbing machines
Tipping machines
Warehousing & shipping

SOFTWARE

CRM - Customer Relationship Management
Data processing software
Estimating
Mailing
Package design
Web-to-print
Variable data
Workflow
XML

MANAGEMENT SYSTEMS, SERVICES & PLANT EQUIPMENT

Bar coding
Environmental equipment & supplies
Filing & storage systems
Financial services
Management consulting
Material handling equipment & supplies
MIS - Management Information Systems
including shop floor data collection
& job costing software
Pollution control
Recycling
Renewable energy & carbon credits

BUYERS YOU'LL SEE

PRINTERS

Book printers
Commercial printers
Flexo printers
Forms printers
In-plant printers
Newspaper printers
Quick & instant printers
Publication printers
Sign printers
Web printers
Wide/grand format printers

BUSINESS COMMUNICATORS

Computer publishers
Editorial staff
Graphic designers
Print buyers
Production managers
Reprographics managers

CREATIVE PROFESSIONALS

Advertising creatives
Art directors
Artists/graphic designers
Creative service buyers
Desktop publishers
Illustrators
Photographers
Print buyers
Production managers

PREPRESS MANAGERS

Color separators
Imaging center/service bureau managers
Photo lab managers

POSTPRESS

Mail specialists
Catalogers
Database professionals
Direct marketing specialists
Postal service consultants

PUBLISHING EXECUTIVES

Book
Catalog
Magazine
Newsletter
Newspaper

CONVERTING PROFESSIONALS

Converters:
Binding & finishing
Corrugated
Envelopes/business forms
Flexible packaging
Flexography
Folding cartons
Tapes/labels/tags
Package design
Package printing

Suppliers:
Machinery and components
Process (inks, coatings, resins, etc.)
Raw (paper, film, foil, etc.)
